Dear Potential Sponsor,

Par-Tee with the Freedom to Walk Foundation at the Charity Golf Event on Saturday, April 14, 2018 at Topgolf, Tampa, from 8:00AM to 12:00PM. Join Us to Golf, \$10,000 Hole In One, Food, Raffles, Prizes and Fun! Be part of improving the quality of life for "Jole" to Walk with her own WalkAide®.

My name is Jole and I am 12 yrs old. I was born with optic nerve hypoplasia, which has left me legally blind. Since 3 years old, I have been wearing a brace on my right leg due to a hemiparesis, a muscular weakness on my right side.

The funds raised will assist for the purchase of WalkAides® for children and adults diagnosed with Foot Drop.

Foot Drop is a condition characterized by weakness or paralysis of the muscles involved in lifting the front part of the foot necessary for people to walk. It causes a person to either drag the foot and toes or engage in a high-stepping walk called steppage gait.

WalkAide® is a functional electrical stimulation device when worn on the calf, sends electric impulses to the affected foot causing the foot and leg to lift and follow through as they would with a natural, unimpaired gait.

The WalkAide® is FDA approved, but most insurance companies are denying coverage for the device. With an out of pocket cost of \$5,000 per unit, the cost is prohibitive for many who see the WalkAide® as an invaluable opportunity to improve their quality of life.

Please find details of the Sponsorship Levels. Upon receipt of your payment and commitment form, we will post your company's information in the marketing materials and social media. For more information, please go to www.FreedomToWalkFoundation.org/Charity-Golf-Event.

Thank You, in advance, for your consideration in supporting the Freedom to Walk Foundation Charity Golf Event!

TOGETHER, We Enrich Lives, One Foot At A Time...

Sincerely,
