

Dear Potential Raffle/Silent Auction Donor,

Freedom to Walk Foundation invites you to participate as a Raffle/Silent Auction Donor in the **Freedom to Walk Foundation 6<sup>th</sup> Annual Havana Nights Gala** on Saturday, October 6, 2018 at the Centre Club, Tampa, FL. The funds raised will assist for the purchase of WalkAides® for children and adults diagnosed with Foot Drop due to Multiple Sclerosis, Cerebral Palsy, Stroke, Incomplete Spinal Cord Injury, or Traumatic Brain Injury.

Foot Drop is a condition characterized by weakness or paralysis of the muscles involved in lifting the front part of the foot necessary for people to walk. It causes a person to either drag the foot and toes or engage in a high-stepping walk called steppage gait.

WalkAide® is a revolutionary electronic device when worn on the calf, sends electric impulses to the affected foot causing the foot and leg to lift and follow through as they would with a natural, unimpaired gait.

The WalkAide® is FDA approved, but most insurance companies are denying coverage for the device. With an out of pocket cost of \$5,000 per unit, the cost is prohibitive for many who see the WalkAide® as an invaluable opportunity to improve their quality of life.

Please participate by donating gift cards/certificates, sports tickets, merchandise or services. In exchange, we will list your company's name in the Program, Social Media and on the Freedom to Walk Foundation's Website for up to one year.

The 2017 Gala WalkAide® Recipient, Felix, 17 years old., was diagnosed at one month old with Meningitis, had various Seizures and two Brain Surgeries. He said, "There are so many people that do not know me, but cares enough to help me and Samuel (Second WalkAide® Recipient, Samuel, 5 yrs. old, diagnosed with Cerebral Palsy), to have our own WalkAides®. I appreciate everything that the Freedom to Walk Foundation and everyone has done for me and my family." Thank You in advance for your consideration of this request.
