

Dear Potential Partner,

Freedom to Walk Foundation is a nonprofit dedicated to helping individuals regain mobility through assistive devices for children and adults experiencing foot drop. As we plan for our upcoming signature event, we are reaching out to valued partners like you to participate at the **Comedy Night, Dinner & Dancing** on October 3, 2026 at the Hilton Garden Inn, Riverview, from 6:00PM to 11:00PM..

Freedom to Walk Foundation assists in acquiring mobility devices for children and adults, experiencing Foot Drop caused by conditions such as Stroke, Cerebral Palsy, Multiple Sclerosis, Spinal Cord Injury, and Traumatic Brain Injury. They can Walk Safely and Live Fulfilling, Purposeful Lives with the Bioness L300 Go.

Our recipient, Jordy Navarro's story. Imagine your son is sleeping and wakes up screaming from his room, "Mommy, Help Me I am paralyzed."

Jordy had a total of five brain surgeries. He was diagnosed with AVM. An abnormal connection between arteries and veins, usually in the brain. He was in a Coma for five months. The doctor said, "There is nothing more we can do". Mom decided to donate his organs. During the Honor Walk, a doctor noticed some sign of life on the monitor and returned Jordy to his room. After 72 hours, Jordy opened his eyes and said "Ma, Ma". He is a Miracle! Jordy's life changed when the Freedom to Walk Foundation, Businesses and the Community raised funds for his mobility devices.

Foot Drop is a weakness or paralysis of the muscles involved in lifting the front part of the foot necessary for people to walk. It causes a person to either drag the foot and toes or engage in a high-stepping walk called steppage gait.

The Bioness L300 Go is an electrical stimulation device that, when worn on the calf, sends electric impulses to the affected foot, causing the foot and leg to lift and follow through with a natural, unimpaired gait.

Most insurance companies are denying coverage for this device. With an out-of-pocket cost of \$5,800, the device is prohibitive for many who see it as an invaluable opportunity to improve their quality of life. Last year, we acquired 21 mobility foot and hand devices.

Thank You for considering a partnership with us. Please contact me at (813) 546-2329 or Daisy.Vega@FreedomToWalkFoundation so we can discuss the next steps.

Together, We Can Change Lives, One Foot At A Time!

Sincerely,

A handwritten signature in black ink that reads "Daisy Vega".

Daisy Vega
